Signature: Date:

Purchase order number (if applicable):..... We will invoice you on delivery.

Conditions of Supply

Copyright of all ABS Census data is owned by the Commonwealth of Australia, and is administered by the ABS. Subject to this, The Public Practice retains copyright of all products listed in the Order Form, including but not limited to all programs, software, code, analysis, text, tables, graphs and product design. The Public Practice grants to the customer a non-exclusive license to reproduce any analysis, text, tables or graphs in any product that the customer purchases, provided that in any publication, the source is acknowledged.

While all due care is taken in preparing all products, The Public Practice excludes to the extent permitted by law, all liability for any loss or damage of any kind whether arising in contract or in tort by reason of the acquisition, reproduction or use of any Public Practice product or data or part thereof. The Public Practice excludes all liability to any person other than the customer, and if the customer reproduces any part of any product of The Public Practice, the customer shall indemnify The Public Practice for any liability or cause of action, which thereby arises. Any person or organisation making decisions based on data or text on any Public Practice product is advised to verify all relevant data using original publications of the data and to independently verify any statistical manipulations or conclusions contained or implied in any Public Practice product.
